Speaker Sprowls Appoints Rep. Spencer Roach to the Statewide Drug Policy Advisory Council

TALLAHASSEE, Fla. (February 23, 2021) — Today, Speaker of the Florida House of Representatives Chris Sprowls appointed Representative Spencer Roach, R-North Fort Myers, to the Statewide Drug Policy Advisory Council.

“Representative Roach’s experience as a counter-narcotics officer and service in the United States Coast Guard will make him a valuable addition to the Statewide Drug Policy Advisory Council,” said Speaker Sprowls. “I am confident Representative Roach will bring effective solutions for Florida’s families and victims of drug addiction, and I am proud to appoint him to this Council.”

The Drug Policy Advisory Council coordinates drug control efforts for the entire State of Florida by educating the public on substance abuse and the resources available.

Earlier this year, Representative Roach was appointed by Speaker Sprowls as Vice Chairman of the Florida House of Representatives’ Public Integrity & Elections Committee and as a member of the House Criminal Justice & Public Safety Subcommittee. In the previous Session, he served on the Health & Human Services Committee and on the Health Care Appropriations Subcommittee. As retired Judge Advocate for the United States Coast Guard, Representative Roach spent 20 years in the Coast Guard and understands the devastating impact drugs can have on a person, their family and community.
